E-mail: [info@rivanna.org](mailto:info@rivanna.org)

On May 24, 2011, the Rivanna Solid Waste Authority Board of Directors, comprised of representatives from the City of Charlottesville and Albemarle County, voted to implement a \$10.00 service fee for all disposal transactions to be charged to residents and businesses who do not reside in Albemarle County. **Effective July 1, 2011, the Ivy Material Utilization Center will begin charging this fee in addition to the normal cost of disposal.**

Residents and businesses will be asked to present proof of residency upon arriving at the Ivy Material Utilization Center. Please bring a copy of your tax bill, water bill, vehicle registration, voter registration card or driver's license. If you cannot show proof that you are an Albemarle County resident or business, you will be charged a service fee of \$10.00 in addition to the normal disposal cost.

If you are a City resident, you may contact the City of Charlottesville Public Works Department at (434) 970-3830 to inquire about alternative disposal options.

You may submit questions or voice concerns by emailing [info@rivanna.org](mailto:info@rivanna.org) or by calling the Rivanna Solid Waste Authority at (434) 977-2976.
